School News

A very warm welcome back – we hope you had a wonderful time with family and friends over the Christmas period.

What a great start to the new term! The children have loved being back with their friends and teachers and as usual have thrown themselves into everything with energy and enthusiasm.

We are looking forward to an exciting term, full of active, creative learning - and of course fun!

Young Voices

Year 6 pupils and teachers travelled to Sheffield Arena on Wednesday to take part in a Young Voices concert. We performed alongside 5,000 children from schools across Yorkshire, and it was a fabulous experience for all. The children had worked very hard in preparation for the event, and as always we were very proud of their positivity and commitment – they are also such a talented bunch! Well done to them.

Free School Meals

If you think that your child might be eligible for free school meals, please pop in to the school office or give us a call for more information.

The school receives additional funding for pupils in receipt of free school meals.

Class 5 Space Project

Pupils in class 5 have completed fantastic models which demonstrate their understanding of our solar system, and these are on display on the main corridor. Thank you to parents for providing some of the resources.
