Science Week - Monday 11th March

As part of science week we would like to invite parents who work in science, technology or engineering to come into school talk to the children about their work. If you would like to be involved, please catch Mrs Brown on the playground or contact the school office. Thank you. As the Friday of that week coincides with Red Nose Day, we thought that a science themed dressing up day would be fun. The children can come as anything science related – scientists, inventors, engineers, astronauts, archeologists etc. Your child will need to bring £1- which will go to Red Nose Day funds - if they want to take part.

Sheila's Sporting News

Youngsters from Y4 have been learning the skills of basketball as they have a School Games Basketball Tournament today. We wish our young sports girls and boys much success and know that they will represent our school with good manners and great sportsmanship.

Our school pupils have a fantastic reputation for their excellent behaviour wherever they go and for that we are extremely proud. Early morning hockey clubs are great fun and the team players are going from strength to strength. Roll on the competitions.
