Year 6 Enterprise

We are very proud of our Year 6 children for their enterprise projects and are grateful for all the wonderful support from parents. 4 teams got through to the final and presented their business ideas to a 'Dragons' Den' panel this week. Congratulations to the following pupils for this amazing achievement: Ava and Jyoti, William and Jamie, Evie, Ben and Katy-Rose. They are looking forward to attending a celebration event later this month to find out if they will be named best primary business in Barnsley. Good luck!

Mayor to Visit School

The Mayor of Barnsley will visit us next Wednesday to present the school with the bronze Modeshift Stars Award. This recognises our work in encouraging our pupils to travel to school in an active way.

Friday Feast

Friday 10th May – it's class 1's turn and we would be grateful for donations of buns and cakes to sell. Thank you.

Well done to the following pupils who received a Special Mention certificate in church yesterday:

Sheila's Sporting News

If our young sports stars have indeed devoured several chocolate eggs over the Easter break (include me too) then it certainly has not slowed them down on their return to our early morning sports clubs.

We have started this term with Netball and although seemingly complicated at first both Y5 and Y6 very quickly learned basic passing, positioning and the all important footwork. Well done guys, I think we have a team in the making.

From being a haphazard group of hockey players, Y4 have suddenly turned into a credible team, who can now put into practice what they have mastered over a very short time, when they take part in their first hockey tournament next week. We wish them well. Prior to that, a team of budding cricketers will represent our school at an all day competition at Shaw Lane, Barnsley. One slight problem ... they need to learn how to bowl first ! But hey, we'll not let a little thing like that put us off. An intensive lesson will soon get them on the right track.

We are so proud of every one of our budding superstars as we watch them grow and develop through sports.

Well done 👍
