School News

Young Voices

Pupils in class 6 (and their teachers!) thoroughly enjoyed their trip to Manchester Arena to perform in the Young Voices concert this week. The experience was unforgettable and the children really rose to the occasion, singing and dancing along with 8,000 other school children, as well as professional singers such as Tony Hadley and Ruti. We are sure that they have learnt a lot from the day, as well as experiencing the pure joy of performing at such a special event.

Art in School

There is some fantastic art happening around school this half term. The children are learning about a range of artists and crafts people such as Clarice Cliffe, Jackson Pollock, Henry Moore and Kandinsky; they are also practicing their skills and developing their own ideas for art work including pottery, paintings and sculpture. We are looking forward to seeing their final creations!

Sheila's Sporting News

After school on Thursday a combined Y1/2 team of budding athletes took part in a Sportshall Athletics Competition at Penistone Grammar School. They were all absolutely amazing! These youngsters who had been in school all day and were feeling a little hungry and tired pulled out all the stops completing various athletics related trials and showed supporting parents and grandparents just what talents they have! They were a delight to watch. Although there are a couple of areas to be worked on for some ie throwing skills, the running and jumping stations were fabulous. In particular the triple standing jumps, a particularly strenuous event, was brilliantly executed with every single superstar exceeding the measures marked. I'm sure Sports Day this year will have many records broken!

Thank you once again for the wonderful support we have from our superstar parents and grandparents, you are always amazing and we truly appreciate what you do. 'Payment' for such is the sheer joy and excitement you all feel watching our brilliant young sports stars ☆. We are now looking forward to 2 Basketball Tournaments next week for Y5/6 and Y3/4 for which the children are eagerly practising. Let's see if they can put into place on the day what they have learnt in the school yard!

Hockey clubs are going from strength to strength each week and it's so rewarding to see the youngsters improve their skills; hmm 🤔, just wish I was half as good 😊.
