Sheila's Sporting News

Well at last the rain has stopped and the wind has died down giving our sports stars the chance to play in 'normal' Thurgoland weather ... ie freezing cold. We are a tough breed here and our early morning clubs are never affected by temperature ; in fact numbers are increasing. I am so proud of the attitude shown by our youngsters as they mature in sports. Sport does engender a great 'rounding' within teams and certainly benefits all who take part. We're moving forward with more competitions such as hockey, rugby and handball all of which the children are really excited about. On a Thursday teams from Y1/2 went to Penistone Grammar School to take part in various activities and after working their way around 6 'stations' they were red-cheeked and somewhat tired from their brilliant efforts. They finished a very satisfactory 4th place but in their eyes they were winners! This says it all.

Parents and grandparents were delighted to see what talent their youngsters have. Well done Y1/2 you are Superstars ★★

We are forever grateful to all our supporters, we really could not do this without you. Thank you so much.

Team Thurgoland - you are all fantastic.
