School Information

Governor vacancy

The Governing Body continue to hold a vacancy for a parent representative. Please contact the school office if you are interested in this role.

Allergies

Please be aware that we have several children with nut allergies, therefore we are a **nut free school**. Please do not send your child to school with any products containing nuts ie chocolate spread.

Harvest Festival

As part of giving thanks for the harvest we would like to make donations to Barnsley Foodbank this year. Urgently needed items are: Nappies- Size 5 and 6, Tinned Potatoes and Packet Smash Potato, Sugar, Biscuits, Gravy Granules, Juice/Dilute. Thank you.

Crossing Patrol

Apologies but there will be no crossing patrol afternoon all week from Monday 5th October. A member of staff will be available to cross unaccompanied children only.

Music lessons

We would be grateful if parents could make any outstanding payments for music lessons. Thank you.

Pupil Information and consent form

We still have a small group of children for whom we have not received an updated form. It is really important that we receive this updated information in order to safeguard your children and to be able to contact you in an emergency.

Change in Weather

We are ensuring that there is good ventilation in classrooms throughout the school; however the weather is turning cooler and it would benefit the children if they wore a vest or t-shirt under their schools shirts to ensure they are warm enough. We also like to play out and have PE outside as much as we can so please do send your child to school with clothing/a coat suitable for the weather. Thank you.

Class 3 Homelearning and Seesaw

Class 3 pupils have been learning how to use Seesaw in school this week. Mrs Taylor and Mrs Gilder have used it to set the spellings for the week and topic homework will be uploaded next week. On another note, Spelling Shed is now called Ed shed. Class 3's passwords for this, Purple mash and TT Rockstars are in the front of their reading diaries. Please check your child's bag for this and a covering letter about how to access Seesaw. Thank you for your support. Next week it will be Class 2's turn to learn how to use Seesaw.
