Autumn Term: 97.54%

Year to date: 97.54%

Clubs

We are very pleased to have so many after-school clubs back on the calendar this term: it will be great to see the children enjoying activities together outside of school hours. All clubs start on the week commencing Monday 6th September and will run to the end of the half term. There are still spaces in all clubs, if you would like to reserve a place for your child, please email office@thurgolandprimary.org or give us a call.

*There is a small cost to the Team Activ sessions (£10) and baking club (£5) *

This week's special mentions:

ALL Children have made an amazing start to school life. It has been wonderful to welcome the children back into school and we have thoroughly enjoyed our 2 days together.

Safeguarding

Permission for children in Y5/6 to walk home alone

When you feel your child is ready, children in Y5/6 may walk to and from school independently. In order to update our records, we would like all parents/carers who wish their child to walk home alone to complete the form that has been sent home today (also attached to this newsletter).

Medical Information

If your child has been diagnosed with a lifelong condition then please let us know immediately.

If there has been any recent changes to your child's medical condition, please can you update their records at the office as soon as possible.

Parent Information Morning

We are excited to be able to welcome parents back into school for a parent information event. In this session you will be able to meet the adults in the class, see your child's classroom and find out more about how you can support your child's learning.

- Monday 13th EYFS / KS1 Parent information morning 8:45 – 9:15am
- Tuesday 14th KS2 Parent information morning 8:55 – 9:30am

KS2 Spelling

KS2 children will be bringing home key statutory spelling words appropriate for their year groups. These words all link to spelling rules which the children will be learning throughout the year as part of their spelling lessons and are our focus instead of weekly words to be tested. Each week, teachers will remind children of the spelling rule they have covered and provide a few examples. We would like parents to recap these to support their children at home and activities will be set for homework. More information will be provided at the parent information morning.
