

Information booklet for Class 6

Contact Information

Telephone: 0114 288 3300

E-mail: office@thurgolandprimary.org

Website: www.thurgolandprimary.org

Twitter: @ThurgolandPS

* For data protection we will need to accept you as a follower – if you have a unique username, please let the office know it and we will make sure that we accept you as a follower*

Newsletters: Newsletters are emailed each week on a Friday. They are also posted on the school website and can be printed from there.

This booklet aims to introduce our Class and includes initial information which we hope you will find useful. Should you have any further questions, staff will be happy to discuss these with you.

We hope you find it helpful. For further details please refer to the school prospectus, look on the school's website or speak directly to the class teacher or other adults.

THURGOLAND

CHURCH OF ENGLAND PRIMARY SCHOOL

LEARNING TOGETHER
IN FAITH & JOY

Vision

To be our 'best self.'

Mission

In a safe, nurturing environment and with each child at the heart of all we do, we inspire caring, tolerant and enthusiastic learners by providing the highest quality of education within the context of Christian belief and practice.

Ethos

At Thurgoland CE Primary, we respect the uniqueness of each child and nurture their personal and individual gifts to prepare them for a successful adulthood. Our children have Christian values at the heart of everything they do: caring for others; welcoming everyone regardless of differences; and working together to contribute to a thriving class, school and local community. We strive to provide a learning environment that promotes and develops each child to their 'BEST SELF'.

Aims

Through our broad and exciting curriculum offer we aim to:

- Foster a lifelong love for learning.
- Create a safe environment where children feel confident and brave to give unfamiliar things a go - embracing and grasping every learning opportunity.
- Along the way provide challenges that push learners out of their comfort zone, so that they experience struggle, recognise that this is an important part of growing and show resilience to overcome challenges.
 - Through high expectations, encourage children to have high aspirations in their learning and future
- Promote and reward positive behaviours and actions, encouraging children to always show respect so that they keep themselves and others safe.

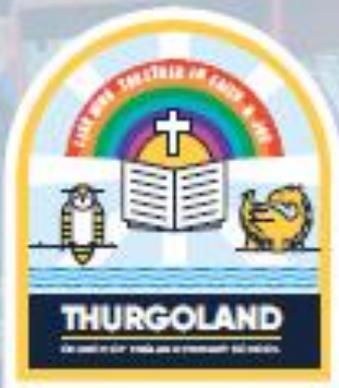

THURGOLAND

**LEARNING TOGETHER
IN FAITH & JOY**

**You should always
BE YOUR BEST SELF**

OUR BEHAVIOUR SYSTEM

1

I have had to be reminded about the class school rules and need to improve my behaviour.

Teacher/TA to discreetly address behaviour 11 with the child.

"I HAVE ASKED YOU ONCE TO BE YOUR BEST SELF I KNOW YOU CAN ..."

2

I have had to be reminded about the class school rules a second time and need to improve my behaviour.

Teacher/TA to discreetly address behaviour 11 with the child.

"I HAVE NOW TOLD YOU TWICE TO BE YOUR BEST SELF I KNOW YOU CAN ... I DO NOT SAY IT A THIRD TIME." "SELF I KNOW YOU CAN ..."

3

I have been reminded about the school rules three times in one session and I will miss some of my playtime.

Child to spend 5 minutes of playtime in 11 with an adult.

ADULT TO DISCUSS CHILD'S ACTIONS IN RELATION TO THE EXPECTATIONS AND HOW TO IMPROVE. PARENTS TO BE INFORMED OF THIS ON THE DAY BY EITHER FACE TO FACE, PHONE CALL OR MESSAGE TO PARENTS.

4

I am still not following the school rules. I will miss Friday reward time.

If a child reaches the third step 3 times in 1 week, they remain inside during Friday reward time.

CHILDREN WHO MISSED FRIDAY REWARD TIME TO BE RECORDED ON CPOMS.

5

My behaviour is unacceptable and will be monitored closely.

If a child reaches step 4 twice in a half term, their parents/carers will be invited into school for a meeting with the teacher(s) and a member of the Senior Leadership Team.

BEHAVIOUR WILL BE CLOSELY MONITORED FOR A PERIOD OF TIME WITH ONLY FEEDBACK GIVEN TO PARENT/CARER.

Serious behaviour incidents e.g. bullying, fighting, inappropriate language, safeguarding the child is sent straight to Headteacher.

Welcome to Class 6

The Class 6 team is made up of Miss Lane and Mrs Stacey.

The classroom is located opposite the hall.

Welcome to Year 6, the top of the school! We value our roles and responsibilities in school, being role models for the younger years. The final year of primary school is a period of great opportunity for us to lead on initiatives and whole school enrichments including celebrations, like Black History month and charity events such as Children in Need. Playground Buddies, developing an enterprise project and Sports Leaders are just a few examples of other projects we take part in. We love to learn in Class 6 and aiming high is so important to us especially as we bring all our learning together at the end of our primary school journey. Although learning sometimes can get tricky, we always give it a go and push through challenges to achieve our potential.

We grow in independence, showing respect and maturity as we prepare for transition to secondary school both in our learning and when participating in exciting events such as the Year 6 [Kingswood residential](#) and the Leavers' Show. The range of activities allows us the chance to excel, aim high encourage and challenge us to be resilient, focussing on our own progress rather than to compare ourselves to others.

Our curriculum has a strong focus on the core areas of maths, reading and writing, to ensure we are suitably prepared for SATS, which take place in May, and secondary school. As we know reading is the key to all learning, we value this skill so much is an essential part of our every day routine. Therefore we have reading time everyday including reading a class text which we can engross ourselves in as well as reading independently and one to one with an adult. We have a Must Read list of 30 books per year group that include high level texts that are age appropriate. It's our aim to read them all by the end of the year. We also enjoy studying science, art, DT, RE, PSHE, history and geography. Topics studied in Year 6 include World War Two, which involves children designing, creating and evaluating their own shelters and gives the children the opportunity to experience what life was like as an evacuee. Another favourite topic is 'Anglo-Saxons and Vikings'.

Our RE curriculum follows the [Discovery RE and Understanding Christianity](#) scheme and is taught through discovery of key questions. In Year 6, we answers questions including: Creation and science: conflict or complementary? Was Jesus the Messiah? What is the best way for Muslims to show their commitment to God? We are encouraged to appreciate and respect the world around them, understand the needs and beliefs of others and develop an awareness of and concern for others, through visits to places of worship (Sheffield Cathedral and Mosque), stories and discussion.

A programme of trips and regular visitors helps provide an education that is both balanced and enjoyable. One of the enrichment opportunities for us is the visit to Crucial Crew - we believe that this visit will, delivered as part of a wider PSHE curriculum, equip us with the right attitudes and attributes to not only become lifelong learners but also responsible citizens within the local and wider community. Sport is extremely important to us Somehow we manage to fit in lots of PE with our sports enthusiasts, enjoying hockey, tag athletics, tennis and dodge ball. We also make use of the wonderful outdoor spaces around school whenever we can.

An important part of our school year is the residential trip to [Kingswood](#) in the Summer Term, we children experience exciting and challenging physical activities such as Jacobs ladder, canoeing and archery. It

provides an opportunity for the students to get to know their teaching team in an informal environment whilst developing greater independence. For many of us – and teachers – it is the highlight of the year!

The summer term is dominated by preparations for the Leavers' Show: making props, painting scenery, raising funds and designing costumes, selling tickets, and learning lines. Past productions have included shows based on 'Aladdin', 'Peter Pan' and 'Alice In Wonderland'. As for this year's show..... we're not going to tell you yet!

Daily Routine

Our morning bell goes at 8:45 am. The children should be brought to the class side door from 8:40am. Please be aware that the school site will be locked until 8:40am, therefore we request that families do not arrive too early.

Children arriving late to school - after 8:55am - should be brought in through the main entrance as the pupil entrance door will be locked at 8:55am. Any child arriving after the register has been taken is marked as late in the class register.

At the end of the day, children will be collected from their classroom side doors at 3:15pm. The school site will be open from 3:10pm. If you are running late, please telephone to office to inform us. Likewise, if it is a different adult collecting, please can you inform the school.

Before and After School Club (TOOSC)

Situated in the youth centre, Thurgoland Out of School Club (OFSTED Outstanding 2018), provides affordable childcare. Run by qualified staff offering both breakfast and after school club as well as holiday club.

Breakfast club opening times are 7:30-8:45am costing £4.50.

After School sessions are 3:30-6pm costing £7.50.

Holiday sessions are either 5.5 hours @ £14.00 or 10.5 hours @ £22.00.

Children play like a home from home setting both indoor (wide range of toys/crafts and games) and outside (weather permitting).

Please call 07748 177686, or email toosclub@gmail.com.

Absence from School

Please let the office know before 9.30am if your child is going to be absent on a particular day. The school office staff will be available from around 8:15 to answer any calls and a message can be left on the answer machine at any time. This avoids us worrying that your child may not have arrived at school safely. The school office will contact you at home if a message has not been received.

Please avoid taking holidays in term time.

Children taken ill during the school day

If children are taken ill during the school day, we endeavour to contact parents and make suitable arrangements for their child to be collected from school. We recognise how inconvenient this can be and therefore only send for parents if we feel it is necessary.

Lost Property

Please could you ensure that **all** items of clothing are marked with your child's name. We endeavour to return items of lost property directly to the owner. Each class has a lost property box which is located in the classroom. At the end of each half term, all lost property is put on the playground for parents to claim.

Contact Details

We would be most grateful if you could ensure that emergency contact details are kept up to date. If you have any change in phone numbers, please call at the office so the staff will update our records.

Accidents and Medication

If a child needs medical treatment, parents are contacted immediately.

If they have a minor injury at school and is given first aid, this is recorded and your child will bring home a bump note.

If it is necessary for a child to be given a prescribed medicine at school, because the dose has to be administered four times a day, please complete a medicine form which can be collected from the school office.

Health

Staff need to be aware of your child's medical background, in particular, any allergies (e.g. bee stings, dairy food), any dietary restrictions (e.g. vegetarian or Halal) and any medical conditions that are important for us to know (e.g. asthma or eczema).

PPA Time

All teachers have a statutory entitlement to 10% non-contact time to enable them to plan lessons and assess pupils' work. We are fortunate in that Mrs Stacey covers PPA Time. Planning for these lessons is done in consultation with the class teacher and is within the school's schemes of work. PPA works out at a half day per week.

Reading

Reading is at the heart of all we do at Thurgoland School because it opens the door to learning. Everything else depends on it, so we put as much energy as we possibly can into making sure that every single child learns to read as quickly as possible. A child who reads a lot will become a good reader. A good reader will be able to read more challenging material. A child who reads challenging material will learn. The more a child learns, the more they will want to find out. We want your child to love to listen to stories, love reading and want to read themselves. This is why we work hard throughout school from Class R to Class 6, to make sure our children develop a love of books as well as simply learning to read.

From Year 3 to 6, when children have completed their phonics programme and are able to decode text well, we ensure that children continue to read regularly. To support their knowledge of comprehension, KS2 children participate in a 30 minute whole-class reading session each morning. The teaching of whole – class reading focuses on question types called VIPERS (vocabulary, inference, prediction, explanation, retrieval and summary). Reading of high-quality class texts are modelled by the teacher and answering reading comprehension questions are taught explicitly. The focus text for each unit of work also supports our writing.

In addition, children are also encouraged to read at school for enjoyment each day. During these sessions, children are able to read individually, to a teacher and in some classes, participate in group reading. All children are benchmarked each term and are provided with a reading book matching their current level of reading ability. Your child is able to change their book in the classroom, once they have read them. Teachers will also listen to your child read regularly and support them through key questioning and in depth discussions about the text.

If your child needs extra support with their reading, they will become regular readers which means they will read at school with an adult a number of times a week. Some children require extra support with reading accuracy (their ability to know and blend sounds in words) while other children require additional support with reading fluency (the pace and rhythm of reading taking into account of the punctuation.) Many children may also require additional support with reading comprehension (orally answering questions about the text they have read.) They will also be provided with a reading diary which is then used by teachers, parents and children to log their reading and used as communication between adults who are supporting the child.

Each class also has a list of age appropriate, recommended reads chosen by class teachers which children are encouraged to read throughout the year. They are asked to take these home to share with an adult. These are updated regularly and new books added throughout the year to inspire the children and develop their love of reading. Upper KS2 classes also have a variety of newspapers and magazines available for children to read from. Daily story times throughout school are a feature in all classes.

The school library is open every lunchtime for KS2 children to select books and borrow anything that is of interest to them. We have a lovely team of 'Little Librarians' who spend time with the children, talking about what they may like to read and help them sign out up to 3 books at a time. Our responsible librarians will also encourage children to return books when they are due with a gentle reminder.

At Thurgoland, we promote and celebrate reading for the whole school through a number of exciting activities including World Book Day (where children dress up as book characters and share their favourite books), visiting authors and book fairs.

All children are encouraged to read at home from Early Years up to Year 6. Although your child will bring home appropriate books from school, children are encouraged to read any of their favourite texts from home or share books with their parents. These can include comics, magazines, newspapers or websites.

We know how important reading is, and really value the enjoyment reading brings. Learning to read opens doors for children and offers them opportunities to learn more and know more. They truly can read to learn! As well as a vital life skill, reading can broaden all our horizons and bring endless pleasure; that is why reading is at the heart of Thurgoland Primary School.

If you have any further queries about how we teach reading, please don't hesitate to get in touch with your child's class teacher.

Spelling KS2

At the beginning of the year, children will be sent home with the statutory spelling lists for that academic year. Although the list may seem daunting at first, the expectation is that children learn and use words from this list each week and build up their knowledge of the vocabulary as the year progresses. Children in KS2 have a standalone 30-40 minute spelling lesson once a week. These lessons are based around a particular spelling rule. Children will be set a list of spellings to practise as homework each week, the words will be displayed in the classroom and we then would encourage children to spell the words correctly in future pieces of writing. Our aim is for children to use words which follow the rules accurately in their writing. At the end of each half term, children will be tested on a selection of these 'statutory' words – any words they find particularly tricky will be communicated with parents so that you can help support them at home.

Times Tables

Learning multiplication facts is a vital part of any child's mathematical development. Once rapid recall of multiplication facts becomes possible, a whole host of mathematical activities will seem easier. Children need to be able to recall multiplication facts in any order and also to derive associated division facts. The National Curriculum's expectations for each year group are set out below:

- Year 1 - Count forwards and backwards in steps of 2, 5 and 10.
- Year 2 - Recall and use multiplication and division facts for the 2, 3, 5 and 10 multiplication tables up to 12x in any order.
- Year 3 - Recall and use multiplication and division facts for the 3, 4, and 8 multiplication tables up to 12x in any order.
- Year 4 - Recall and use multiplication and division facts up to 12x12 in any order.
- Year 5 and 6 - Recall and use multiplication and division facts up to 12x12 and apply knowledge to help solve decimal multiplication and division, e.g. $12 \times 12 = 144$ so $12 \times 1.2 = 14.4$

Please encourage children to practise their multiplication facts as these are important in all areas of the curriculum. The emphasis is on accurate recall. All children will be given user names and passwords for TT Rockstars so that they can access this online programme at home.

<https://trockstars.com/>

Homework

Homework will be given every Friday to compliment work done in class, either in literacy and/or numeracy. All homework will be due back on the following Wednesday. We will give topic research based projects throughout the year to link with topics. Children will receive reading as part of certain literacy topics in preparation for lessons.

Homework will be set on an online learning app called See-Saw. Your child will be set three tasks a week to complete using the See-Saw app, this can be downloaded onto tablets, phones or iPads (it can be used on computers, but it is much more accessible and easier to use on phones, iPad or tablets).

The three tasks a week can be completed on the app and do not need printing off. On the app the children are able to add text, write annotations, take photographs or draw – each activity will have instructions.

We kindly ask that you download the See-Saw app and log onto it with your child, they will have done this in school and have brought home a log on sheet with instructions.

When signing in with their Home Learning Code, students can post to their journal, respond to activities and view class announcements. Students do not see the work of any other student in the class.

Logging in:

1. Install the seesaw app or go to <http://app.seesaw.me>
2. Tap I'm a student
3. Scan your QR code on your logging in sheet

It is vital we have this communication set up to complete homework tasks and to set, complete and feedback on any remote learning as is needed.

If you have any problems or questions about See-Saw please do not hesitate to ask or email the school office and your email will be forward to the teacher.

Assessment

At Thurgoland C.E. School we see assessment as an integral part of teaching and learning, and it is inextricably linked to our curriculum. We use three broad overarching forms of assessment: day-to-day in-school formative assessment, in-school summative assessment and nationally standardised summative assessment.

Nationally standardised summative assessment

Nationally standardised summative assessment enables:

- School leaders to monitor the performance of pupil cohorts, identify where interventions may be required, and work with teachers to ensure pupils are supported to achieve sufficient progress and attainment
- Teachers to understand national expectations and assess their own performance in the broader national context
- Pupils and parents to understand how pupils are performing in comparison to pupils nationally

Nationally standardised summative assessments include:

- Early Years Foundation Stage (EYFS) baseline assessment, which are completed in the first half term.
- Phonics screening check in year 1
- Multiplication Check Year 4

- National Curriculum tests and teacher assessments at the end of Key Stage 1 (year 2) and Key Stage 2 (year 6)

Uniform

Please ensure that all clothing worn or brought into school is named!

We encourage all children to wear school uniform. This consists of:

- Navy sweatshirts / cardigans
- White or navy polo shirts
- Grey or navy skirts / trousers
- Navy / white t-shirts
- Blue and white checked dresses (not available from school)

The above items, plus navy waterproof jackets and fleeces can be purchased at:

<http://thurgolandprimary.org/wp-content/uploads/2018/11/Uniform-Order-2018.pdf>

We ask children to make sensible choices with regard to jewellery, shoes or hairstyles, ensuring that they are appropriately dressed for a school environment to be safe.

P.E. Kit

P.E. in Class 6 is on Monday and Friday.

Children need black shorts and a white t-shirt for P.E.

Indoor P.E. is carried out in bare feet for safety reasons, but trainers will be required for activities outside. Also, for winter months, a pair of jogging bottoms, and a jumper will be needed.

Please make sure that you clearly label all pieces of your child's clothing, as they are very easily lost if not labelled.

Pupils are not allowed to wear jewellery (this includes earrings) in P.E. lessons. Children need to be able to remove their own earrings as well as put them back in.

Water

Children need to bring their own NAMED water bottle. The school has filtered tap water in the classroom, from which refills can be made. Children are encouraged / allowed to drink at appropriate times throughout the day.

Milk

Children can be provided daily with a carton of milk for the morning break on request from-

www.schoolmilkuk.co.uk

Snacks

Children are provided with fresh fruit / vegetables daily for their morning snack and are allowed to bring an extra piece of fruit/vegetable from home if they would like. Children who bring a packed lunch should only eat these at lunchtime alongside their peers in the dinner hall.

School Dinners

At school we manage our own kitchen. The meals are sourced locally and are of good quality and well balanced. Children have a choice of two hot meals or a Jacket Potato (plus salad bar). Children select their own dinners each day for the next day.

We would appreciate your support if you would encourage your child to choose the school meal option rather than bring sandwiches from home.

Please could you give us plenty of notice if your child is changing from a school provided meal to bringing a packed lunch from home.

Payment for school dinners, which should be made in advance, can be made weekly, half-termly, termly or with each menu. Cheques should be made payable to Thurgoland C.E. Primary School. Dinner cost £2.20 a day.
