

Curriculum progression

Number: Ratio and Proportion

Problem Solving						
EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
						I know how to find missing values using integer multiplication and division facts so I can solve problems involving the relative sizes of two quantities.
						I know how to solve problems involving the calculation of percentages so I can use the percentages for comparison.
						I know how to solve problems involving similar shapes where the scale factor is known or can be found.
						I know how to use knowledge of fractions and multiplies to solve problems involving unequal sharing and grouping.
